

# BUMP!

## What You Need:

- Paper
- Pencil
- Small brown paper bag or container

## What You Do:

1. Cut paper or note cards into 25 cards
2. Write one spelling word on each card.  
On 5 separate cards, write the word "BUMP".  
(You may want to also include other words to work on.)
3. Place all cards in the brown paper bag and shake it to shuffle. Players should sit in a circle around a table or on the floor. The first player reaches into the bag (without peeking!) and pulls a card. The player reads the card, covers it and spells it out loud. If the player spells it correctly, they keep the card. If they spells it incorrectly, the card goes back in the bag. Pass the bag to the next player, who repeats the process.
4. Once a player has one or more cards and then pulls a BUMP card, all of their cards (including the BUMP card) go back in the bag. If they don't have any cards and pull a BUMP card, they simply put the BUMP card back in the bag.
5. Set a timer for 5-10 minutes.  
When time is up, the player with the most cards wins!
